Chiel Personnel Profile:

Key Facts

Date Started with Chiel: 2017

Management Experience: 4 years

Industry Experience: 16 years

Dimitri is an accomplished carpenter who uses his considerable technical skills to achieve the best aesthetic effect. As a Site Manager with Chiel, Dimitri has recently managed to achieve excellent work at Warwick Hospital to almost impossible deadlines. Dimitri is extremely reliable and is always committed to accomplishing his projects to the highest standards and on time, whatever it takes. Creative, proactive, adaptable, and flexible, Dimitri has proved an excellent team leader, inspiring and motivating his team and our apprentice carpenter alike.
