

Chiel Construction Ltd

for all your building needs

Chiel Personnel Profile:

Key Facts

Date Started with Chiel: 2016

Quantity Surveying /

Project Management /

Industry Experience: 8 years

Josh has experience as both a Project Manager and QS and has recently completed his Degree in Quantity Surveying and Commercial Management to consolidate his learning.

With Chiel Josh has worked on everything from small contracts through to large framework programs, including working under JCT contract from Minor Works through to Design and Build Contracts. He thoroughly enjoys his job and excels under pressure, often managing several College and University contracts at once. Josh's outstanding communication skills and pure likeability factor allow him to create excellent relationships with both our clients and our suppliers/subcontractors.
